

## 5 Plr Minisite Templates [tb806]

[DOWNLOAD HERE](#)

This template package consists of 5 minisites with no restrictions. Also Included is a website salespage. You can be reselling in 5 Minutes. I'm not going to try to razzle-dazzle you with a mile long sales letter, loaded with my buddies' testimonials and a million bonuses that'll only make your hard drive choke. No, I'm not going to do that. Time is valuable, and I wanted to give you this special offer as a helping hand to you. I know you need good, professionally designed minisite graphics that you can use and adapt to your needs, and sell, if you want to, so you can make some cash, too. PATRON MINISITE TEMPLATE PACKAGE 901 So here's the deal...I'm offering you 5 MiniSite templates with professionally designed Header, Footer, Product Box, Testimonial Box, Video Testimonial Box, Bullets, and Buy Button. You can modify and edit them all you want, to suit your purposes as I'm including all the .psd files for you! That means, if you have Photoshop, Corel PhotoPaint, or other programs capable of editing Photoshop files, you can completely change the appearance of each of the templates. Customize them all you want. Change colors, change backgrounds, add your own images, ect. Use any, all or none of the extra elements I've included. You can do it all! You can use these templates for Niche sites, sales pages, whatever you need them for! For licensing reasons, the photos you see in the templates are together on a seperate layer in the .psd files, and cannot be extracted, or used seperately. Want to use different photos? No problem, just turn off the "Photo Layer" and right underneath is a layer that looks exactly like the Photo Layer, minus the photos. Put your own photos on that layer, and you're good to go! No Photoshop? I've got you covered. You can still change the text on the templates, as I've also included blank .jpg and .png files for the headers and footers for each template. Add your text to them and replace the current files with your new ones. Easy! Colours Supplied: # Light Brown # Light Orange # Grey / Silver # Blue # Gold These will be available as individual Products for personal use only on this Tradebit Portal.
