Presenting...the sixth annual More Than Words anthology. Little by little, one person at a time, we can make our world a better place. The five dedicated women selected as this year's recipients of Harlequin's More Than Words award have done just that, by discovering a seed of compassion, and nurturing it to effect real change in their communities. To celebrate their accomplishments, five bestselling authors have honored the winners by writing short stories inspired by these real-life heroines. We hope More Than Words inspires you to look into your heart and find the heroine who lives within.
