Ebay has already banned the selling of downloadable digital products on its sites. The move hit many Ebay Sellers like a thunderbolt. And hundreds if not thousands lost their livelihood. Now the good news. You can exploit the void that the Auction Giant created to your BIG advantage and profit from the vacuum generated by the bloodbath. Got tons of digital products (ebooks, softwares, scripts, videos, audios, with plr or resale rights) just gathering digital dust in your hard drive? If so, you are sitting on a mother load of products that you could easily convert into cold hard cash! Here's how: Resell them as high perceived value physical products on CD or DVD - products of tangible nature GUARANTEED to build long lasting relationships between you and your customers. Remember, Ebay banned just the sale of digital products. If you burn your ebooks or softwares with resale rights on CD, you now have high-perceive value physical products that Ebay love. In a few minutes from now you can have the right tools and reading materials that would guide you and enable you to convert your resell rights products into appealing cd or dvd packages that would take your business to the next level. Presenting...
