Dear Friend, how many times have you seen a HUGE product launch, heard how much money the marketer has made and wished that was you? ... wished it was you accumulating sale after sale after sale... How many times have you wished you knew what they did that made their product launches so successful? How do they get so many people queued up -- so desperate to buy a \$1000 (or more) product, which sells thousands of copies in just a few short hours? We are all told by those in the know that we need to create our own products. What we are not told is what to do after they have been created. Most marketers launch a product to an empty auditorium and then wonder what went wrong... They wonder why the sales aren't streaming in... Well, the secret has been kept hidden by the elite marketers -- a secret which is just now being revealed for the first time.
