From: Alex Albert & Jim Rays Dear Marketer, I'm sure you've heard the saying that to become successful, you need to study what successful people do and model their actions! Well if you've been following the Internet Marketing scene lately you'll have noticed the growing popularity of those little 'exit chat agent' scripts. All the big name 'guru's' seem to be using them on all their sites. Basically what they are is little interactive chat windows that popup when a user tries to exit a webpage. Users can interact with these little bots like a regular messenger client similar to MSN or AOL. When I heard other marketers talk of the great results and extra profits these 'exit sales agents' were generating, I knew I had to find a way for 'the little guy' to model their success without having to make a huge investment. Well I've developed a remarkably simple system does just that... Introducing The Brand New... 'Sales Bot Generator' Sales Bot Generator is a simple little script you can use to set up your personal 'exit traffic salesmen'. As soon as they get a sense someone is about to abandon your site they jump into action, giving your visitors a second chance to interact with your site and take action on your offers. You can generate unlimited salesmen and put them on any webpage you want. Simply add one block of code to your webpage and your salesman is ready to go to work. This is extremely easy to do, only takes a couple of minutes and full directions are provided. If You Can Click, Copy, and Paste, You Can Use "Sales Bot Generator" Step One Edit one file to include all the responses you want your new exit sales agent to be able to say. (2 minutes) Step Two Upload all the provided 'Sales Bot Generator' files to your website. (30 seconds) Step Three Add one simple block of code to the webpage you want your exit sales agent to be put to work on. (20 seconds) That's you done! In just 2 minutes and 50 seconds (or less) you can increase the profit potential of any webpage you want! Here
