Wanna start your own online service for low budget? Than this is the right project! You can create your unique style, thats make this so wunderfull! Note Pops is a new technology 2006 which requires no techi knowledge on your part: You install the software on your server, it's easier than making coffee. You choose how you want the software to look we include 3 sets of graphics, or you can create new graphics so it is completely original to you! You keep every penny of every sale that comes in for life. What exactly does Note Pops do? Allows your users to create unblockable fly over ads that get attention right when a visitor hits their page! Gives the user dozens of beautiful and clever Note Pop templates to choose from, or add more of your own! Let's the user preview the fly over before they save it! Tracks how many times the popup was shows and how many times a visitor clicked an ad! This is a brand new technology never offered before! Display's a beautiful stats section so they know how their Note Pops are doing! Note Pops is incredibly robust and easy to use for you and your subscribers. You get an amazing admin interface that let's you: Easily manage, add, delete and view your members! Customize the whole software with a few mouse clicks so it matches your site design! Set limits on the number of Note Pops a user can create, and create separate memberships for different prices! Note Pops is your solution to finally taking that step into owning your own web business without learning a heap about creating and maintain a product. You'll be able to disappear for weeks at a time while your business runs smoothly and profitably on auto-pilot! P.S. Create your Own popup art style thats different from each others, your fantasy is your own limit! You can also set your own prices or for free to collect users for your list. Remember money is in your lists!
