

Celebrate The Native American Flute - Claassen, Dick

[DOWNLOAD HERE](#)

If you've ever wanted to play the 6-hole Native American flute, and play it well, this book is for you. No musical background is required. All the tunes are written in an easy to read tablature, (music notation that anyone can understand), whether you know anything about formal music notation or not. Regardless of what kind of 6-hole flute you own, and regardless of what key it's in, (C, D, E, F, F#, G, A, it makes no difference), you will be able to play the tunes in this book. You'll learn to play Native American tunes, chants, blues, and folk tunes. And you'll learn how to use your flute for meditation. It's all here, in just one book. MP3 audio examples are included. **Important: The URL of where to download the audio MP3 files that come with this book is found on page 1 of the book. Simply go there and click the appropriate link. There is also a book cover image there as well. Author: Claassen, Dick, Publisher: Awe-Struck E-Books, Inc.
