Find out what People are Really Searching for on eBay! Our brand new software, Auction Category Master, is an easy-to-use yet powerful tool that will tell you exactly what your eBay customers are searching for. This software has passed eBays strict certification process which means we can bring you the latest data, direct from eBays databases. Auction Category Master gives you direct access to the latest, official eBay most popular keywords data. Not sure which category to list under? No problem, simply type in a word or two relating to your item and Auction Category Master will suggest the best categories for you. Want to know what eBay customers are searching for in that category? Simply click on a category, and within seconds you will see a list of the most searched for keywords for that category at eBay.com.
