

Managerial Leadership - Peter Topping

[DOWNLOAD HERE](#)

Effective management in today's competitive business environment requires solid leadership skills—skills for which companies often don't provide adequate training. Managerial Leadership fills that void, providing a four-tiered approach that helps professionals from all walks of life develop both strong management and leadership skills. Top leadership models and frameworks, tools for assessing leadership strengths, techniques for handling change and growth, and more make Managerial Leadership a veritable learning laboratory.
