Harness the profits that huge volumes of free traffic can bring you. turn your existing website into a wordpress blog and watch the search engines come running. Turning an existing website into a wordpress blog has many benefits and is a lot easier than you might think. My videos show you how. You probably have heard all the positive buzz out there that Wordpress is generating. After all, it is a very powerful script that can do a lot for you right out of the box. Add to that the power of thousands of free plugins and themes and you have one of the most powerful yet simple platforms on the internet. Many people have started using Wordpress to create all their websites, whether they're blogs, content sites, sales pages, squeeze pages, portals or membership sites. It is really that powerful! This is why you should consider changing your website from static mode to a Wordpress site. You can make it look almost exactly the same, and you can create it in blog style or website style or a combination of the two. And just because you have custom graphics, headers and backgrounds doesn't mean you can't convert your site. You can still easily convert your static site in just a few easy steps. Here are just a few reasons that you should convert your static website into a Wordpress blog: \* Easy search engine optimization \* Lots off free themes and plugins \* Easy to customize \* Easily add more content \* Database driven so it's easy to change content \* Secure And lots more. I could fill a whole page..... I will show you exactly how to turn your static website into a far superior site powered by Wordpress so you can reap the rewards! All you have to do is follow the simple instructions in my video series. Here is just some of what you will learn: \* How to install wordpress \* How to work on your site so your visitors can't tell \* How to use your existing graphics \* How to add in your content and much more.....
