[DOWNLOAD HERE](#)

Hamish on The Parallel Community During Hamish Miller life, he has encountered many extraordinary life-challenging things. Parallel Community is a product triggered by near-death and out-of-body experience... This is the video of one person's passion, a person driven by a need to halt the deterioration of the quality of life on this wonderful earth. Parallel Community has been done as a video where people throughout the earth, acting and working together, are empowered to challenge the motives of our decision-makers and do a good contribution to our future. Let's go together and bring back some common sense into the world.
