You can download a free demo. The philosophy of Free Running is to view the environment, urban or natural, and its obstacles as a series of challenges. You will learn from a Free Running pioneer to overcome these barriers with fluidity. You will be joining an elite group of athletes known as Tracers (Free Runners) and will be racing against other Free Runners, to possibly become the greatest Tracer of all time. The challenges ahead require supreme physical strength and imagination. Have you got what it takes? Game contents and software 2009 - 2010 Rebellion. All rights reserved.
