The Future Is Now... The Birth Of Blog Article Automator The beginning of BAA Since the Dawn of the Internet, one maxim has remained absolutely Stupid-True... When In Doubt, Use Blog Article Automator. When we built BBO over a Year ago, we had that universal truth in mind - and we leveraged that idea into the most powerful automated SEO software platforms ever, both then... And Now. Since Day One my BBA Software has given webmasters and site owners the Insane Power to explode their search engine indexing and rankings... Sending a Landslide of high-octane backlinks and overnight authority to your money site. But as the Brute Force Software and organization matured and grew, we discovered a startling thing... A Lockpick works better than a Crowbar. The stunning new Blog Article Automator release that you are about to discover today gives up NONE of the Old Article Automator of the original: In fact its more powerful by a factor of TEN. But BAA doesnt try to Force his way in anywhere... He finesses the webs TOP web2.0 and High Page Rank Authority Sites into opening up and granting him carte blanche entry... And they thank HIM for the privelege with Insane Rankings and Overnight Link Love To Your Money Sites of Epic Proportions. BAA builds an incredible web of irresistible goodies for the SE spiders... Think of them as delicious treats for the SEs robots- they cant NOT stop and pick them up! The result? Your Sites shoot up in the SE rankings at light speed... along with your Revenues and Income. But best of all, BAA does all this (and much, MUCH more) almost totally on Autopilot. As good as the original BAA was, you still had to babysit it considerably. From his Powerful and Intuitive installation... His incredibly lightweight, Wizard Style Interface... His Totally High-Tech Point and Click operation... To his Insane Captcha Solving intelligence... And E-Mail account creation and confirmation talents... You Have Found Your Way To The Promised Land. Observe...And Prepare To Be Amazed. High Tech yet Dead Simple Theres more where that came from, but you can watch later... For now, you really need to Sit Up and Pay Attention, because Time Is NOT On Your Side Here. Promotes money site to the social bookmarking directories... Promotes money video to video directories... Helps you create a mash-up batch RSS feed and submits this to the rss aggregators... ALso you can use it when creating a mash-up batch RSS feed of all the new Site URLs and promotes this RSS feed... But thats just the beginning of

this explosive package... ON top of this offer. I have added you a special bonus... Its the social Linking Robot which helps you link all your social media almost on autopilot Black Hat? Gray Hat? Au Contraire, my friend... The sites we use benefit from the power of SLR just as much as WE do! Not Your Daddys SEO Please note... When we started using Article Snatch for our incredible article sourcing function, they had an Alexa rank of over 30,000... Today? Just over 3,000. Thats a 90 GAIN in World Rank in a few short months. Think the millions of reciprocal backlinks we send them had anything to do with that? You Damn Betcha they did... Think Matts happy with that? Youre Damn Right He Is! EVO2 is Flat Out Mutually beneficial to the sites we use and send traffic to. This is NOT not a one-way street, and anyone who has a different idea is just NOT getting it. Do You Get It? I hope so, because the raw power of EVO2 is NOT to be taken lightly... But it IS there for the taking, If Youve Got The Guts. What Brute Force does (and ALWAYS has done) - and EVO2 does even better... Is simply mimic the actions of a Real Human Being. Thats IT. Its NOT a
