

Mystery Legends-beauty And The Beast Platinum Edition - Pc Game

[DOWNLOAD HERE](#)

You can download a free demo. A long time ago in a kingdom far away, a charming prince was cursed by a scorned enchantress to walk the lands as a disfigured beast. Entangled within her wicked spell, he had all but given up, laid dying until a fair maiden's love revealed the beauty within him. Their happily ever after however, would have to wait because the young lady still needed to break the curse. Journey across magical lands and free the Prince once and for all in this magnificent journey. Seek the help of fantastical friends, and overcome all obstacles to find the beauty within the beast once again. Search through beautiful, richly animated scenes; Solve original and fantastic puzzles; Enjoy three difficulty settings for players of all levels.
