Each speaker will take you behind closed doors and reveal how they use public domain works to reach astronomical success in simple and concise detail. You'll learn from such well-known experts as: Russell Brunson Founder and owner of TheLostFiles.com, a website that allows Internet entrepreneurs to obtain hot public domain products without the worry of research and creating marketing materials. James Jones Publisher of Kick Butt Business Ideas, which produces products designed to help entrepreneurs start their own home-based businesses or create additional revenue streams for an existing business. Dave Vallieres Editor of The Public Domain Report and an Internet entrepreneur who has made his living creating digital information products and marketing them online and offline. Here's an Example of What Can be Accomplished Using Public Domain Information Dave Vallieres currently publishes three books that contain 100 public domain information. These books cost him \$13.50 when he bought them at a used book store. Since there are no royalties due to the authors, he gets to keep 100% of the profits when he resells them. He scanned them into his computer and sells them in hard-copy format and as ebooks. These three books alone now earn him thousands of dollars a year in profits and the best part is he doesn't pay a penny in fees or royalties to anyone!
