

# Fjproject Samples

[DOWNLOAD HERE](#)

FjProject Samples FJ Project: Samples contains 300MB of some of the hardest, grimiest House/Acid Trance loops and sounds straight from FJ Projects studio. Supplied in both WAV and REX formats, this pack covers multiple instruments including squelchy Acid bass lines, rhythmical noise patterns and SFX.

FJ Project: Samples includes both loops, and drum samples, allowing you to create your own original loops using sounds created by FJ Project.
