

Forex Predictor Software + Lifetime Membership Special Offer

[DOWNLOAD HERE](#)

SPECIAL OFFER 50 OFF This is a special offer and you may not see this offer again after the maximum number of memberships is sold. Forex Predictor is a Subscription based software with monthly fees. I'm offering now 50 LIFETIME memberships. Pay once and never pay again. If someday you decide to stop using the software you can sell your membership account to another person. Forex Predictor Software was developed by forex-and-stocks and calculates possible prices of the current day based on 2 prediction methods. Both methods are based on complex mathematical formulas that use actual data from the last days to predict a range of price change and give you entry, and exit point for your trades. This is not a holy grail but it will help you be in the right path. You can see some winning trades examples here: forex-and-stocks.com/Forex-Predictor/Winning-Examples.pdf This software also includes some bonus tools with it that can be downloaded from the Tools Tab. After Payment you will be able to download the software and will receive a temporary USER and Password to use it right now, please include your desired password on the Paypal comments and allow up to 24 hours for us to create your real login credentials this one will remain forever!. Or send an email to info@forex-and-stocks.com with your paypal email and desired password.
