3. The Resellers Secret Vault (\$229 Value)- An entire VAULT of high quality products with resale rights that you can download and sell within a few minutes. You will simply not believe what's included in this section.

Dear Friend, Resale rights products have absolutely exploded over the past year - and with good reason. You see, we live in a time known as the information age - and there is a recent trend that has just started that you simply MUST know about... "People are paying \$29, \$49, \$97....even \$1,500 for premium information that satisfies their needs, wants and desires" Do you think I am joking? I assure you that I am not - by the time you're finished with this letter I guarantee you that you're going to try and obtain as much content with resale rights that you can get your hands on. You see, owning the "resale rights" to quality content is the key to making an absolute FORTUNE in the information age. Want to know why? I'll show you... I Know That People Pay \$29, \$49 And Maybe Even \$197 For Information...But \$1,500? Are You Kidding? The amount of money that people pay for content varies on the subject matter. Do you think that I am joking when I say people have paid \$1,500 for information? Let me tell you a very true story - a fellow called Ted Nicholas recently sold a report for \$1,500 online. That in itself may be quite staggering but the really incredible part is that the report was just 140 words long. Not pages - just 140 words! I don't know about you but to me that is quite staggering. The 13 words revealed a secret that Mr. Nicholas had used over and over again to make millions of dollars in sales over and over again. Can you see why even a one

page, 140 word report would sell well, even with a price tag of \$1,500? By the way, the secret that he finally revealed is covered in some detail inside this book. You can use this incredible technique and get results INSTANTLY with it. The point is that information has always been a good seller - but with the onset of the information age it's about to become a phenomenal seller. Right now you can get resale rights for red-hot products, in highly responsive niches for just a few dollars - if you know where to look (and after reading this book you'll know exactly where to get stunning products with full rights anytime you wish). This means that you can spend a couple of bucks, secure the rights for a high quality product and sell it over and over again to keep 100 of the profits. I'll show you where you can get resale rights to a sensationally hot product like this for a matter of pennies. Better still, I'll show you how you can get rights to hot products like these but with a strict limit to the competition (again...for the equivalent of pennies!).

Finally - You'll Learn Where To Find Red Hot Resale Rights Products For A Few Bucks, How To Take ANY Product With Resale Rights And Turn It Into A Best-Seller In A Matter Of Hours - Plus How To Profit From FREE Resale Rights Products...And A LOT More! Let me tell you, what's inside is an absolute pure-gold treasure chest for anyone who wants to make an outrageous amount of money with any resale rights product - strategies, tools, resources, blueprints...even a vault of premium products with resale rights. Quite simply you'll get EVERYTHING you need to create your very own cash generating resale rights empire in a few hours flat. Here's what you'll be getting instant access to when you agree to start your own Resale Rights Empire: Discover How You Can Rake In Extraordinary Profits In Record Time With Any Resale Rights Product That Sits On Your Hard Drive! 1. The Blueprint For Making Outrageous Profits With ANY Resale Rights Product (Even Free Ones)! 11 simple yet jealously-guarded strategies that can make absolutely anyone sell ANY resale rights product by the boatload. Your competition just has no clue about these techniques - and once you put them into place every single resale rights product that you can get hold of has the potential of creating a goldmine of wealth for you...for years into the future. Look, I could easily charge \$97 for each of these strategies alone - because when you see the results they bring you'll wish you had gotten started with resale rights a LONG time ago. Learn why the secret to building resale rights fortunes lies in being different (even when you're selling the exact same product as everyone else!). I'll show you a quick and painless way of taking even the most over-sold resale rights product and turning it into something that even the most sceptical buyer will fork out \$29, \$49 and even \$97 for (and be absolutely delighted with what they have purchased). And I'll show you how

to do this in just a couple of hours (some of the elite resellers have been making insane profits with this for years - the lids blown off I'm afraid!). How you can add something to any "off the shelf" resale rights product and instantly hike its value by three, four, even ten times what others sell it for. (Hint - It's not a physical thing - it's a simple concept...once you uncover it nothing in the world can stop you from making huge profits with resale rights). Think you can't make backend sales with resale rights products? I'll show you exactly how you can and provide you with all the tools to do it. This incredible strategy is worth multiples of the price of this package - learn how you can take standard resale rights products and use them to create your own products with YOUR affiliate links inside. You collect the affiliate checks for years into the future. This easy technique is simply NOT being done by your competition so get ahead of the game now! Learn an incredible formula for maximum resale rights profits. I'll reveal to you a 5-step blueprint for taking standard resale rights and repackaging them into a turnkey business that you can sell for a minimum of \$500 (and a maximum of \$2,000 and more). Best of all, the blueprint will show you how to do this in under 2 days. Simply follow and repeat and watch your bank balance explode. Why a carefully chosen high-priced resale rights product will pay for itself twenty times over in just one year (when you read this you'll change the way you view resale rights forever). I'll show you how someone with zero experience can take a quality, high-demand exclusive resale rights product and easily cash in thousands of dollars from it within a few months. Get a stream of these going and you've got a portfolio of explosively stunning investments that even the best trader on Wall Street couldn't match. Think I'm kidding? Look at the numbers inside and decide for yourself. Like I said, you'll change the way you view resale rights forever after reading this. I'll tell you about the red-hot niche that is just DESPERATE for a quality eBook (yes there is little to no competition for it just now). And I'll show you a brand new resale rights eBook that has just been released in this exact same niche (and how you can get hold of this superbly written gem at a spectacular 60 discount). Hint: Almost EVERYONE buys a book on this subject at some point - and it's in a top-10 selling niche of all time (one paper based book in this very same niche has sold over 50,000,000 copies!). More about the one-page report that Ted Nicholas sold for \$1,500. Uncovering this secret could be the thing that brings you more wealth and success than you ever considered possible. Well it certainly worked for Mr. Nicholas, and now you'll also know what it is. Want to crank up your sales from a few thousand a month to over ten thousand without breaking into a sweat? You need to understand how the traffic & sales funnel works. You'll learn how to make newsletter

subscribers and low-price customers (those paying up to \$49 per purchase) into high-ticket customers who purchase \$500+ items from you. The internet is awash with free products with resale & distribution rights included. Some of these are rubbish but there are also some undiscovered gems among them. I'll show you my highly powerful 4 step technique to find stunning free resale rights products and using them to create packages that your customers will lap up for \$29 to \$49 (and even more). I'll also show you one ready made product available with full master resale rights that you can instantly take (for free) that almost no-one knows about (hint - it is in a scorchingly hot niche). Best of all, you'll be able to put together packages like these in a matter of hours (a new \$29 to \$49 product every day - do you think that would be good for your business?). An internet-marketing section that will show you exactly what you need to do to drive highly targeted traffic to your website. Let's face it, no matter how great your resale rights products you still need to be competent with internet marketing. Not only will you get the strategies that work but additional resources & software to really drive your marketing campaign onto the next level. Setting up your resale rights business the right way. Learn the seven set-up secrets that you need to apply to your resale rights business to turn a few hundred dollars a month to several thousands. More and more people are realising that absolute FORTUNES are being achieved with resale rights. Inevitably, that means more competition for the same resale rights products making life harder for 99 of resellers. But not you - I'll teach you a way of getting highly exclusive products with virtually zero competition...for the cost of a hamburger meal. An unknown place where you can legally get \$266 of premium products with master resale rights for free. This is probably the best thing I have ever seen in the world of resale rights and the products come with deluxe sales page and graphics. This site may well get taken down shortly, you need to grab these quickly or lose your chance of making some serious profits with them. I'll walk you through the exact same technique that I use to get more potential prospects and newsletter subscribers than I know what to do with. It needs a highly effective and easy-to-use bit of software, but I've got hold of the rights for you and it's included in the package. You'll flip when you discover just how easy it is to build your list of prospects from zilch to thousands strong using this software and the ridiculously simple technique I've outlined. Look, if you want to know how to take practically any resale rights product and turn it into an automatic cash dispensing machine then the strategies that I've disclosed here are priceless. Truly priceless. I could easily have stopped the book at this point and comfortably charged you \$197 for the contents (and that price would be a total steal). But hang on to your hat because you're

getting a lot more from this product... The Resellers Top Secret Toolbox - Critical Software & Resources That You Simply MUST Have In Order To Multiply Your Resale Rights Profits! 2. Instant Access To The Resellers Top Secret Toolbox To make this the ultimate resource for profiting with resale rights something really special had to be provided...that something is the "Resellers Top Secret Toolbox" - you'll be able to download 10 highly valuable resources (costing \$283 were you to purchase them individually) that are downright critical to your success with resale rights. These are resources that I could easily have set-up affiliate links to and get thousands more dollars in commissions from my customers but that really would not have been fair to you. So I bought up the master rights to these and have included them for you to use. Here's what you'll be able to do with the Resellers Top Secret Toolbox: Use one of these top secret tools to create resale rights packages with your own affiliate links inside. This strategy is mind-blowing but also impossible without the software that I've included for you inside the toolbox. You've probably noticed that a lot of the high-ticket products online almost all have audio on their website. Have a look at the software required to do this and you'll notice that the fees for the software tends to be around the \$49 to \$97 mark. One of our top secret tools will show you how to add audio to your website with no hassles...and at no cost. Another top secret tool that will enable you to create as many eye-popping effects with your resale rights sales pages as you want (you can even create TV style presentations using this nifty piece of software). Want to know one of the best things about resale rights? Absolutely anyone can take an ordinary info-product with resale rights and turn it into a best seller overnight with the techniques in this package. Want to know the key to doing this? Creating a unique aspect to the product and the way you present it. It's a good thing you'll have access to a wonderful top secret tool that helps you do this very thing. Plus no less than six additional top secret tools that you'll be using to make an insane amount of cash with resale rights products. All together you'll get 10 top secret resellers tools that you probably would have purchased eventually in any case. Doesn't it make sense to get them all right now (and without having to pay a small fortune for them?) - I could easily have pointed my affiliate link to all of these resources and made several thousands more in backend income but if you have seen any of my previous work then you know that I am not a greedy person - I really want you to prosper with resale rights! If you're really serious about creating a cash generating business with resale rights then there has never been a better opportunity to get started than right now! With resale rights products you're able to control information - you instantly own products that have been superbly compiled over months. Products

that often take thousands of dollars to produce. In the information age, that is an incredibly powerful position to be in.
