From: Tracy Yates Date: 03-06-06 Some of my friends think I am crazy for selling Ad Tracking Pro so Cheap on the Internet. Then I told them that I was also going to sell resale rights. When they heard the price they knew that I had lost my mind ! The first thing they wanted to know was how big of a percentage I was going to be giving to my resellers. I said this is no affiliate Program, we all ready have one of those. Anyone that buys one of the Limited Number of Resale Rights Licenses I am going to offer will get to keep 100 of the sales they make! If you have ever wanted to know how internet marketers make the boat loads of money they do in their Internet marketing business this is it. You need to find a Great Product, that has not been all ready marketed to everyone on internet so heavily that every one that needs it, or wants it all ready has it, and everyone that doesn't need it is sick of hearing about it. Well I know that you can't say that about Ad Tracking Pro because it is brand new! You have not heard of it yet, am I correct ? Of coarse you haven't because it was just released after being in development for the past 5 months, and hardly no one has the Resale Rights to this hot new Product yet. If you' have ever planned to make boat loads of money selling something on the Internet, Then Ad Tracking Pro is exactly what you have been looking for.
