Professional Hip - Hop / Rap / R&B Beat Construction - \$39.99USD Drum Machine 2 Disc Set brings you hundreds of Hi Definition 24-Bit Hip-Hop beats. The most prolific Loop CDs out on the internet today are beat CDs. Many beat sellers advertise 1000s of beats per Loop CD. These type of loops are simply small, 1 measure sections and lots of one-shots and percussive sound FX. The reason there are so many beat CDs out there is because they are so easy to make!! Anyone can sit down and throw together fundamental beats or record factory preset drum beats off of keyboards and modules. What makes Inner Rhythm Studios Drum Machine different than all the rest? We here at Inner Rhythm Studios have developed a unique library that sets Drum Machine apart from our many competitors. This collection consists of fully composed, 4,8, & 12 bar beat sections as well as the individual drum components. This allows the producer the flexibility to add or eliminate individual parts as needed. This is called a Loop Construction Kit. Have you ever purchased a loop CD with beat names like loop0001.234, loop002.76, loop0054.23???! Remember how hard it was to find your favorite beat? We have also named the beats memorable titles for easy reference. Many successful artists that you have never heard of, make careers selling beats to the pros. These beats are sold for \$1000s of dollars! In like fashion, Inner Rhythm Studios has assembled a collection of beats that are mix-ready to drop into your project now!! Take advantage of this unique collection today - because you never know..Inner Rhythm Studios may one day be selling these same beats for a lot more \$\$\$!!!! Drum Machine 2 Disc Set compositions were arranged on the following professional workstations: Korg Triton, Korg Karma, TR-808, Roland XP80, Alesis QS8, Roland V-Drums, and the Kurzweil K2000. ACIDization and loop authoring were mastered utilizing a Pentium 4 system executing the following software environments: Acid 4.0, Samplitude 6.0 Producer Series, and Emagic Logic Platinum. \$39.99USD Compatible with Apple Garageband - Garageband loops Use the button below to sign up for our newsletter and receive a free loop CD download!
