Outperform The Competition At Any Level
In Lessons from the Pro Poker Tour, David Apostolico explored the tournament strategies that have taken professionals like Doyle Brunson, T.J. Cloutier, and Billy Baxter to the very top. Now he shows you how to apply those advanced techniques and tactics to all kinds of no-limit hold'em tournaments—multi-table, single table, online, satellites, sit and go—so that you can win at every level in every arena, from freerolls to big money events. Think Like A Pro
Apostolico provides in-depth analysis of hands he's encountered in real-life games, plus key sample hands that cover crucial poker concepts. He reveals the thought processes that go into making the smartest decision, no matter what cards you're dealt or what environment you're playing in. In learning to think like a pro, you'll also learn to anticipate your opponents' moves, and you'll acquire strategies that can be used to throw even the most experienced players off their game. Apostolico recounts notable hands he's played with some of the best in the business, including Barry Greenstein and John Phan, and also offers insights gleaned from his many years on the circuit, as well as advice on adapting and evolving your strategy to suit each game.
Improve Your Odds
Whether you're aiming to dominate your neighborhood game or make your first inroads into the big money tournaments, Lessons from the Felt provides the expertise and analysis you need to improve your skills, your odds, and your enjoyment.
