I've been involved with resale rights for a long time, in fact, it was how I started out in Internet Marketing. My first profitable site was one based on resale rights products. In fact even today, a significant portion of my online income is from resale rights products! They are an amazing find and one which will make you a fortune, if you use them properly. When I first started I had heard about resale rights and that they were a "good thing" but never really understood them. That is, until I started looking at them closely. By this time, it was a typical Internet Marketing story. I had spent almost every penny I had on trying to make money online and was broke and on the verge of quitting. This was when I discovered resale rights products. I had an idea for a website that would make money and decided I had to give it one last go. I was out of money so I begged, pleaded and then borrowed cash so that I could invest in domains and some software. The amount of money I spent then was a huge investment for me at the time, it was a gamble, but I knew I had found my calling online. Although my friends thought I was crazy, and my family thought it was all a pipedream. I launched the site, did a few joint ventures and the money started to trickle in. That trickle turned into a stream and then it become a flood! In a few weeks I had gone from this crazy person who spent thousands he didn't have on a domains, tools, software, eBooks, courses you name it to this successful marketer. Those people who thought I was crazy suddenly wanted to know my secrets. Oh, and my family were very happy with me for succeeding. It wasn't long before people started hounding me to find out what I was doing that had made so much money. I mean, I had gone from the edge of bankruptcy to living a comfortable life with my income increasing every week. They were desperate to know. I started to share some of the information with them and realized just how much I had locked up in my head that I decided to create a course on it to show people how they could profit from resale rights products. I was fortunate in being able to get out of my financial nightmare, but I know many other people are in a similar, or worse, position, so I created the Resell Rights Ninja program to teach you, step by step, how to profit from resale rights products.
