The most effective marketing tool of its kind... A Simple, Beautiful, Effective, Sales Magnet That Grabs Your Visitors Pleasant Attention and Demands ACTION And Makes Them BUY... There has been a MAJOR change on the internet that has cost internet marketers millions (maybe billions) of dollars. Like most internet users, youve probably come across web pop-ups. Dont you hate them when they pop all over your computer with so many windows you can hardly shut them down? So how do these internet marketers expect to intrude my privacy like this, annoy me, then expect me to buy whatever they are selling on these pop-ups? But still you find more and more marketers are using them... The reason is that pop-ups CAN be very effective and very profitable tools if used properly. Fly-in Ads Creator is a friendly, layer that is not blocked by pop-up blockers It has such captivating effectiveness that it closes sales for you and skyrockets prospect subscription every time.

-- Dear Internet marketer, I have seen quite a variation of these tools, and have had a share of their good and bad side. But I thought none of them offered what I wanted. It was with these unique needs in mind that I decided to create a product that would fulfil these unique internet marketers needs, at the same time not annoy their potential customers by imposing themselves to their potential customers, but rather provide more effective sales and prospect capture. ...And of course, not get blocked by pop-up blockers. After all , what use are your ads if your prospects cannot see them? And so I created Fly-in Ads Creator Fly-in Ads Creator is a secret weapon for creating wildly successful online campaigns that will boast staggering conversion rates. When you install Fly-in Ads Creator on your web site: It will grab your visitors pleasant attention It will have an appealing effect on your visitors psyche It will always demand INSTANT attention - comes with a choice of unique creative designs that capture attention It will close sales for you It will skyrocket prospect subscription for later follow-up giving you the opportunity to close sales later It will not be blocked by pop-up blockers If you are not using Fly-in Ads Creator on your web site, then you are losing money. Fly-in Ads Creator is VERY easy to create and implement on your web site. Some people call them Slide-Over ads, hover ads, sliding ads, flying ads, floating ads, or slide-in ads, etc. The only difference is

that Fly-in Ads Creator technology is so effective its like having a LIVE salesman that closes your sales for you on your web site 24 hours a day, 365 days a year. Since we started using Fly-in Ads Creator on our web sites, our subscription rate has gone up by as much as 300. Dont forget, on a lot of our web sites, we still used to have pop-ups, but their effectiveness had obviously long ceased. Employ this wonderful gem affectively and watch it catapult your sales, affiliate commissions, and prospect subscription sky-high overnight. Imagine employing a simple, pleasant tool on your web site that takes like 5 minutes to implement, and it closes a sale with almost EVERY person who visits your web site. Even while you sleep! If used effectively, this HYPNOTIC technology will make any web site sell products like CRAZY! Fly-in Ads Creator penetrates the clutter and commands ACTION. Ever wondered why your web site always seems to receive visitors, yet barely makes any sales? The key to turning your web site into a cash cow is to GRAB your visitors ATTENTION. And make them take ACTION (e.g. BUY). Pop-Ups will annoy them, and and force your visitors to close your web page, never to return. Fly-in Ads Creator literally pleasantly freezes your prospects right on their tracks and gets them to act on your sales message NOW! The sad truth is that almost everyone offers Pop-Up blockers. The once incredibly profitable tool for internet marketers is now slowly becoming a dream. So who in the world sees your ads any more if you still use Pop-Ups? Fly-in Ads Creator is NOT blocked by Pop-Up Blockers Fly-in Ads Creator is NOT a Pop-Up. It is actually loaded as a layer on your web page, so it cannot be blocked. And it comes in a variety of many beautiful very effective variations guaranteed to close sales for you. We all know that TIMING is everything. Any advertising tool needs to appear at just exactly the right time, when your prospect is in the right state of mind to receive it! You can time Fly-in Ads Creator to appear immediately the web page is loaded, or delay it to any number of seconds Every design of Fly-in Ads Creator comes with a timer that allows you to control when you want the popup to appear. This gives your prospects some time to read the first few lines of your sales letter... then Fly-in Ads Creator slides gracefully with your action message. Its like reading your prospects mind... and telling them EXACTLY what they want to hear. This tool can explode your conversions beyond anything youve experienced before. Its carefully designed to turn their website traffic into pure Gold. PS: Fly-in Ads Creator does not require you to install anything on your computer and is compatible with all the major browsers. Just select a few options, create your Fly-in Ads Creator with a few clicks and you are ready to put it on your web site. Its a break-through technology that is so simple to implement that its simplicity defeats its enormous

power to transform your web site into a cash magnet.
