"Discover The Secret "Talking Website" Strategy That Sucks The Cash Right Out Of Your Visitors Pockets..." Does your website talk? If you said no, you could be losing a small fortune everyday... Audio has the ability to make your website make you 300 MORE money, and now you can add audio to your website in 5 minutes flat... and never pay a monthly fee! Now you can let "Website Audio For Newbies" do the selling for you. "Website Audio For Newbies" is super simple to use... Step 1 All you need to do is plug your microphone into your PC, choose a name for your audio message, hit the record button and start talking! Yep, it's as simple as that. Once you have finished recording your greeting, or sales message, just click stop and your half way to having your own streaming audio selling your product for you at a new heart stopping rate! Once you have recorded your audio, you goto step 2 where you will select a button color to place on your website! Sound easy? it is.... I had this new software created with ease of use in mind and made sure there are no un-necessary or confusing steps to make it work. In fact to make it even easier each step has it's own help button whith a pop-up video tutorial that will guide you along every step of the way... Step 2 Select Your Audio Button color... and click create! There are no shortage of colors here, we covered every possibility to make sure there will be a color that will match your website! Step 3 Enter your website FTP user name and password and "Website Audio For Newbies" uploads your new audio file to your website for you! Yep you read that correctly, This software will upload your new audio message right up to your website for you. No confusion of trying to figure our where your new audio message has been saved to on your computer. You upload it right from the software. Step 4 Paste a few lines of code that "Website Audio For Newbies" software creates for you into your website. That's it, you now have the power of audio selling your product from your website for you, 24 hours a day 7 days a week! You will receive everything you need to start streaming audio from your website in the next 5 minutes! And you will never pay a monthly fee for this service. Yep, you heard me right, you will pay once and be able to place audio messages on as many websites as you wish forever! And never pay another dime to us for this incredible service!
