You can download a free demo. Ethan and Claire are on their way to a remote village to meet his father when their carriage is attacked by a strange figure. After the ensuing crash, they are at the doorsteps of the town. Soon however, they realize that the village is under siege by a mysterious group known as the Faceless Ones and Claire quickly becomes one of their captives. Now Ethan must call on all his strength to rescue his fiance and the rest of the town. Ethan's moment of reckoning is at hand as you guide him to stop the Faceless Ones. Explore the decimated village, interact with its remaining inhabitants, solve puzzles, play mini-games, and search for clues that will lead him to his beloved Claire. Peel back the layers of this chilling supernatural mystery that began with the stroke of a paintbrush, but will end in a dramatic confrontation near a fiery abyss. Publisher: Alawar
