

Child Law: A Guide For Courts And Practitioners - Richard Powell

[DOWNLOAD HERE](#)

Child Law covers criminal, family and civil aspects of the law affecting children - and ranges from offending to care proceedings to parental conflict to human rights (and international treaties) to education, work and employment - making it of considerable interest to a wide range of people who wish to understand the 'bigger picture' against which child protection, youth justice and other child-related public and community responsibilities has evolved. An invaluable collection of information which seeks to enhance all-round knowledge of children who come to the notice of the authorities - whose lives may involve multiple conflicts. Ideal for courts, lawyers, child protection workers and youth justice workers and other people - including members of YOTs, youth offending panels, CAFCASS, colleges and teachers.
