

# Limits To Democratic Constitutionalism In Central And Eastern Europe - Bogusia Puchalska

[DOWNLOAD HERE](#)

In this book, Bogusia Puchalska develops an original theory of democratic constitutionalism and uses it to support the argument that constitution-making and lawmaking in constitutional moments should be politically, and not just constitutionally legitimate. This original and informative book should be read by all curious to understand how the democratic learning and the foundations of grass-root constitutionalism might have been damaged in post-communist countries.
