

# White Haven Mysteries Platinum Edition - Pc Game

[DOWNLOAD HERE](#)

You can download a free demo. Suffering the side effects of a mysterious drug, you wake up in an abandoned building with no idea as to who you are. A young girl hints at this mystery that only you can unravel, while a man who holds the key to your identity taunts you with his experiments. Can you find the antidote and escape? Survive this nail-biting thriller as you explore the buildings and its surroundings for a way out. Search for clues to locate the antidote and to reveal the identity of your captor. What is the logic behind his game of terror? Explore eerie scenes, solve mind-bending puzzles, and lift the veil of secrecy that haunts you at every step. Publisher: Gameagents
