You want to make it in the music business, right? Does it seem almost impossible to make it happen? The perceived realities of the music industry seem too harsh, too risky, too difficult and too unstable to pursue a lucrative long term music career. That's because most people lack the knowledge to break into the music industry and also lack the talent needed to be a success. Well, worry no more - if you want to learn how to play guitar and make decent money in the music industry then our Ultimate Music Career Kit is exactly what you need. How To Make A Living As A Musician... Have you been rejected by the American Idol Auditions? Or maybe a recording company turned you down for no good reason. Well - you're not alone ! We've heard stories like these from many talented musicians who clearly have what it takes to make it yet they are somehow unnoticed by the music industry. Shocking Music Industry Truth: Record labels do not care what your music sounds like. They only care how many CDs you can potentially sell. Period, that's it, end of story. This is Dollar Driven Business Land, people. It's not a good thing, it's not bad thing, it just is. If you want to make money in music, acknowledge it and move forward accordingly. Tradition tells you that the only way to realistically make good money is through the tried-and-true, nine-to-five grind--doing something you're not particularly thrilled with. It doesn't have to be that way for you. Why not make good money at something that excites you, at something that holds your interest? If your desire is strong enough, if you educate yourself and come up with a game plan--and implement that plan!--you can do anything you want. How do you come up with that game plan ? Leave that to us. That is exactly why we compiled our Ultimate Guide to Making a Living as a Musician so that talented people can arm themselves with the knowledge they need to break into the music business A few of the many things you will learn inside this kit include: - GETTING STARTED IN MUSIC - FREELANCING FOR MAXIMUM EXPOSURE - MAKING A LIVING AT WHAT YOU DO BEST - MUSIC - DIFFERENT STROKES FOR DIFFERENT FOLKS - OTHER SOURCES OF MUSIC INCOME - MAKING A PROMO KIT THAT SELLS INSTANTLY - PICTURES ARE WORTH A THOUSAND NOTES - SONG LISTS - BUSINESS CARDS - VIDEOS - STATIONERY - FINDING WORK - PLANNING YOUR MUSIC BUSINESS - SUCCESSFUL PERFORMANCE - CREATING THE GIG & MUCH ,MUCH, MORE ... Now

there is one thing we have to point out. We have also come across many people who think they can sing yet they couldn't do it if their life depended on it. Our guide is NOT for people like that. However, if you truly do feel that you have the talent and other people such as family and friends have told you that you do, then this guide is definitely for you. It will change your life forever as you discover what it takes to make it in the music industry. Whether you are shooting for the big glamorous life or just want to enjoy your small gigs, this guide will allow you to follow your passion. Most of our clients are very passionate about music and they can't see themselves doing anything else. Some would even do it for free but of course there are bills to pay in life. What better way then to do something you love to do on a daily basis. You may become a huge star or you may be comfortable performing local gigs - but one thing you will all have in common is that you will be getting paid to do what you love to do - Music !
