

Wrestling Encore 2: Booking Encore - Sports Games

[DOWNLOAD HERE](#)

You can download a free demo. Having revolutionized in-ring action, the Wrestling Encore continues backstage with the most satisfying booking experience that gaming has to offer! Booking Encore takes the same great gameplay and turns it on its head by challenging you to call the shots instead of taking them. Create the saviour of wrestling, and then assume control of any one of 6 major promotions to realize your vision. Take charge of the locker room by firing the deadwood and hiring the stars of the future. And if they don't already exist, mould your own legends in the ring and in the gym - thanks to an ever-changing cocktail of statistics. Then all that remains is to bring your show to life as a ratings-winning force of entertainment! Along the way, you'll field suggestions from your employees, demands from your superiors, and scorn from your rivals - as you work through an endless schedule of possibilities. Your ring battles may be over, but the ratings war has only just begun... Publisher: Add Games Italia
