A quarter of a century after his death, the questions remain: what was John Lennon really like, what drove him to the heights of creativity and the depths of despair, and why do his music and message still resonate for millions around the world? Now acclaimed broadcast journalist and author Larry Kane uncovers the mysteries of Lennon's life and implodes the myths surrounding it. Kane definitely has the right credentials for the job. He was the only American reporter to travel in the Beatles' official entourage to every stop on their history-making first American tours, and he stayed in touch with Lennon until an assassin ended the former Beatles' life in 1980. Lennon Revealed is filled with revelations about John Lennon's path from public glory to personal crisis, and ultimately to his inspiring rebirth and the triumph of his spirit. Drawing on extensive personal accounts and extraordinary new interviews with more than 100 confidants-most notably, Yoko Ono-Kane presents stunning revelations and brings the reader closer than ever to the man who, in life and in death, has had an incalculable impact on humanity. Includes an exclusive DVD featuring the final interview with Lennon and Paul McCartney, conducted by Larry Kane.
