"Making Money Teaching Beginners The Basics Of Internet Marketing Has Never Been Easier! Underground Covert System Reveals How A Marketer With BASIC Knowledge Can Generate \$5,000 Paydays - Even \$20,000 Per Month!" Video 1 - Introduction to Your Consulting Business Secret Consulting Riches In this video, we will kick start this video course. In it you will learn how the Secret Consulting Riches system works so you can implement it easily. You will also learn the exact tools that we use and that also can use to setup your Consulting business successfully. 14 Minutes and 10 Seconds Video 2 - Determine Your Skills / What You're Good At Secret Consulting Riches Before you get started, you need to think about all the different skill sets you have. Basically I'm going to help you find what you are good at. But what if I'm not good at anything? I highly doubt that. Everyone is good at something that can be monetized and there's a buyers market out there for every skill. In fact believe it or not, there is someone out there that wants to learn what you are good at. Now, you don't need to figure out what you are providing just yet. We're just in the brainstorm process at the moment. 13 Minutes and 30 Seconds Video 3 - Research Your Market and Competition Secret Consulting Riches You need to figure out if there is truly a buyer's market... and if so, what kind of competition in the consulting world, you face? The more competition, the better. However you don't want too much competition, you only want enough, because that tells you that there is a buyers market. Think about it - if there wasn't any competition, most likely there isn't a big enough buyers market for you to make good money. So we'll show you how to not only research your market, but see whether or not the area you want to go into is profitable or not! 24 Minutes and 23 Seconds Video 4 - Brainstorming: Figuring Out Your Services Secret Consulting Riches You will learn how to dig deeper and take the skill sets you listed, and figure out what kind of services and consulting services you can offer. This will allow you to figure out what you will offer, how you will help your customers, and how you will make money. 17 Minutes and 59 Seconds Video 5 - Create an Outline and Create Your Services Secret Consulting Riches Once you have done the proper brainstorming in video #5, it's time to create a detailed outline of your services and create them. Templates are the key to this, so we'll talk about how to plan your services, create templates and

checklists to help you and your customers. 24 Minutes and 5 Seconds Video 6 - Create and Setup Your Websites Secret Consulting Riches By now, you have your service in hand, it's time to put it up on a landing page or a website. In this video you will learn how to create and setup your landing pages / websites that will allow you to build your list, and gather leads and communicate with them. 22 Minutes and 21 Seconds Video 7 - Prelaunching Phase - How to Build Curiosity Secret Consulting Riches Before you launch your consulting gig, you need to build up curiosity. One of the biggest reasons why launches fail is because no curiosity has been built up. While this not required, this method will work as it is time tested. 12 Minutes and 34 Seconds Video 8 - Marketing: Find Out Where Your Clients Are Hiding Secret Consulting Riches By now you have the system in place, however it's time to market your consulting gig and services. It's time to find out where your clients are hiding and get them connected to you. If you've done the proper research in this system, then you will learn how to get clients quickly and easily!
