

London's Burning: True Adventures On The Front Lines Of Punk, 1976-1977 - Dave Thompson

[DOWNLOAD HERE](#)

The summer of 1976 through the summer of 1977 was the most significant year in British rock history, when punk rock rose from a murmur on the streets to a roar of defiance that still reverberates today. This collection of vivid memories of concerts and cultural flash points focuses on what was happening on the streets and in the clubs, answering questions like What brought punks together with London's disenfranchised Rasta community? What made Teddy Boys-middle-aged men who dressed like 1950s rockers-hate punks so much that they roamed in packs looking for teenagers to beat up? What was it like to be in the now legendary Roxy Club? and Were the Sex Pistols really any good as a live band? Memories from others who were there-including members of the Damned, the Adverts, the Patti Smith Group, the Maniacs, and the Tom Robinson Band-add to this story of punk rock as it happened, stripped of hindsight and future legend, and laid bare. Words: beat it music, burning music, chicago band, chicago club, chicago clubs, club review, clubs chicago, concerts music, flash music, legend music, london club, london clubs, london live, london music, music burning Author: Thompson, Dave Publisher: Chicago Review Press Illustration: N Language: ENG Title: London's Burning: True Adventures on the Front Lines of Punk, 1976-1977 Pages: 00000 (Encrypted PDF) On Sale: 2009-07-01 SKU-13/ISBN: 9781556527692 Category: Music : Genres & Styles - Punk Category: History : Europe - Great Britain - General
