

Richard Dyer-bennet - Paul Jenkins

[DOWNLOAD HERE](#)

In the 1940s and '50s, Richard Dyer-Bennet (1913-1991) was among the best known and most respected folk singers in America. Paul O. Jenkins tells, for the first time, the story of Dyer-Bennet, often referred to as the "Twentieth-Century Minstrel." Dyer-Bennet's approach to singing sounded almost foreign to many American listeners. The folk artist followed a musical tradition in danger of dying out. The Swede Sven Scholander was the last European proponent of minstrelsy and served as Dyer-Bennet's inspiration after the young singer traveled to Stockholm to meet him one year before Scholander's death. Dyer-Bennet's achievements were many. Nine years after his meeting with Scholander, he became the first solo performer of his kind to appear in Carnegie Hall. This book argues Dyer-Bennet helped pave the way for the folk boom of the mid-1950s and early 1960s, finding his influence in the work of Joan Baez, Judy Collins, and many others. It also posits strong evidence that Dyer-Bennet would certainly be much better known today had his career not been interrupted midstream by the anticommunist, Red-scare blacklist and its ban on his performances..Author: Jenkins, Paul Publisher: University Press of Mississippi Illustration: N Language: ENG Title: Richard Dyer-Bennet Pages: 00192 (Encrypted EPUB) / 00192 (Encrypted PDF) On Sale: 2011-11-14 SKU-13/ISBN: 9781604733600 Lib Category: Folk singers - United States Lib Category: Dyer-Bennet, Richard Category: Music : Genres & Styles - Folk & Traditional
