These Powerful Templates Will Draw Your Visitors' Eyeballs to Your Opt-In Video Like A Lightning Bolt to a Lightning Rod! From the Desk of: FBM marketing masterkeys.tradebit.com Imagine this nightmare scenario. You have a thriving online business. Projects in the works. You've got a boat load of websites bringing you in money every day, every week, every month. Then, WHAM! Some hacker wipes out your server's hard drive, along with all your backups! Your entire business, wiped out overnight. Think it couldn't happen? Well it did. A fellow marketer had this happen to him. On Christmas Eve. Some 200 websites. Gone. His business? Well, what do you think happened to it? Think again. The "Gurus" Tell Us "The Money Is In The List" - And They're Right! This marketer was saved from total disaster, because he had...a mailing list. In fact, he's probably got a few of them. So, starting from scratch, he began mailing to his list as well as tapping into his contacts, and is able to keep his business afloat as he gradually rebuilds his sites. His contacts helped, but his list is the key. The hacker couldn't wipe that out. (By the way, this is a 100 true story. It happened this past Christmas Eve. Keep your list safe and treat it like gold.) Moral of the story? Well, you know, don't you? You need to build a list, and if you've got one already, you need to keep building it bigger! How do we do that? By driving traffic to our "Squeeze Pages". I'm sure you're well aware that a well designed squeeze page can mean a nice number of the visitors to your squeeze page will fill out your form and sign up to your list. That means more money for you as you market to your list. In the past year, however, a new, exciting trend, more powerful than using traditional squeeze pages, has emerged. Video. Look at how video has taken the Internet by storm. The success of Google Video and YouTube has not been lost on savvy Internet Marketers. More and more marketers are turning to video to get their message across - and using video to gain subscribers to their lists. Are you one of them? I'm guessing yes, or you wouldn't be here. Video Squeeze Pages Are Rapidly Replacing "Regular" Text Based Squeeze Pages Video is far more effective than using just plain words on a squeeze page. Video is compelling, and highly visual. It captures our attention. Here's the problem, though. As more marketers

use video enabled squeeze pages, yours gets lost in the sea of video squeeze pages out there. The truth is... You Need to Stand Out From The Crowd Here's your chance to do just that! Grab 5, brand new professionally designed Video Squeeze Page Templates, in seven "web 2.0" colors, that'll get your visitors to say "Wow!".
