

Following The Millennial Christ

This e-book tells a story of how God used one of His servants to utter prophecies that came to past to people who professed to be believers, but were not. It also revealed a mother who thought her daughter was having a mental breakdown. These frightening occurrences brought them closer together so that God could reveal the way of Kingdom Living to them. From there Gods purpose became a work-in-progress in their lives. Lifes experiences and following Christ brought them to the place where God is ALL to them. They believe the Holy Spirit is their Millennial Christ.
