Chariots 1.2.4

[DOWNLOAD HERE](#)

Chariots is a family friendly racing game with a little bit of a role playing twist set in ancient Rome on the island of Cyprus. Players can race on foot, on horseback or in a chariot. Horses and chariots must be won at the races, along with other items which can be used in quests to obtain special mounts and special vehicles.Chariots 1.2.4 specifications: Download Size: 276753 KB   Minimum Memory Required: 2 GB Internet Access: Internet required for Internet play.
