

Working It Out - Aural Skills For Bass Players - Level I

[DOWNLOAD HERE](#)

Workin It Out - Aural Skills for Bass Players - Level One is a 12-track, 45-minute audio MP3 file that will show you EXACTLY how to find notes and work out bass parts off recordings and live performances. By unlocking and developing your brain-ear this session will improve your musical hearing forever! The 45-minute lesson guides you step-by-step through the entire process of figuring out bass lines, grooves, and melodies. The lesson includes pitch visualization, note finding, workshopping played examples, bass riffs in different keys, chord recognition, finding chord roots, and working out melodies. This lesson gives you the tools to work out bass parts on your own. Workin It Out provides a wealth of knowledge from bass player and renowned online music educator George Urbaszek. George has over 3500 performances, 130 recording sessions, and 33 years of bass teaching experience. George guides you and enables you to unlock your own resources using logical steps. With Workin It Out your hearing will improve forever! Download your bass lesson MP3 within minutes of completing your payment.
