Now in Willow Creek, England, a tormented Darren barely reacts as police handcuffs are closed on his wrists. All the evidence points to him, and the police have arrested Darren as their primary suspect in a fatal crime. Hes subjected to extensive questioning, but Darren is numb to the events occurring around him, and has withdrawn into a deep emptiness. Then after several weeks of incarceration, Darren is unexplainably released. But he is not free. Darren remains terrorized by sleepless nights, nightmare-like visions, and the chilling specter of murder and death. Dare to find the answers in the climactic final chapter of this epic trilogy - for once you gaze into the Black Mirror, you wont be able to look away.
