

Phantasmal Premium Edition - Pc Game

[DOWNLOAD HERE](#)

You can download a free demo. Stranded in the middle of nowhere after crashing your car, you stumble upon The Drowned Dead Hotel, a lonely structure leaning perilously close to a cliff. Below it lies a dark and cold lake that submerged a once lively town. What tragedy befell this place? The strange inhabitants of the hotel know the answer and hide its secrets, but they aren't about to tell you, and worst of all, you are not allowed to leave. Discover the startling secrets buried at the bottom of the muddy waters and find a way out of this eerie nightmare. Search through dark yet beautiful hand-drawn scenes filled with a frightening atmosphere as you uncover the truth of this tragedy. Solve manic puzzles, use valuable tools, and change your Hidden Object gameplay experience to Match 3 puzzling when desired. Publisher: Codemnion MINIMUM SYSTEM REQUIREMENTS: Windows 7/Vista/XPProcessor: Pentium 4 1.5 GHzDirectX 8.0384 MB RAMFree hard drive space: 233 MB FEATURES: This Premium Edition includes an additional Epilogue adventure, an integrated Strategy Guide, a full game soundtrack, exclusive Wallpapers, and more.Discover startling secrets hidden beneath muddy waters in this Hidden Object nightmare.Play the game in Hidden Object mode or switch to Match 3 at any time.This game title is intended for mature audiences only.
