squido.xtreemhost.com/matrix The money is in the list - but only if you set up a proper sales funnel! The most important thing you can do to make money on the internet is to set up a proper sales funnel. Automate your business and watch the cash roll in! One of the things you must do to make money online is to automate as much of your business as possible. There are many tools that make that easy to do, such as Paypal and autoresponders. However automating your lead capture, follow-up, marketing, Upsells, and after sales follow up and marketing is where most people fail to capitalize. This step is essential to long term success. The reason most people are not doing this right is because they havent been shown how to set it up, or they try and over complicate the process. The truth is that it is relatively simple to do and costs peanuts to set up. In fact, in this video series I will show you how to set up a complete sales funnel in less than an hour. Setting up something like this can earn you profits for years to come, and all that it takes is a small investment in time. Here are just a few reasons that you should set up a sales funnel. * Totally automate your sales process * Long term profits from a one time effort * Quick and easy to do * Low cost * No special skills needed And lots more.
