

Popular Music And Human Rights

[DOWNLOAD HERE](#)

Popular music has long understood that human rights, if attainable at all, involve a struggle without end. The right to imagine an individual will, the right to some form of self-determination and the right to self-legislation have long been at the forefront of popular music's approach to human rights. At a time of such uncertainty and confusion, with human rights currently being violated all over the world, a new and sustained examination of cultural responses to such issues is warranted. In this respect music, which is always produced in a social context, is an extremely useful medium; in its immediacy music has a potency of expression whose reach is long and wide. Publisher: Ashgate Illustration: N Language: ENG Title: Popular Music and Human Rights Pages: 00218 (Encrypted PDF) On Sale: 2011-08-01 SKU-13/ISBN: 9780754668534 Lib Category: Human rights Lib Category: Popular music - Social aspects Category: Music : Genres & Styles - Pop Vocal Category: Political Science : Political Freedom & Security - Human Rig
