

Jewel Quest Mysteries -the Oracle Of Ur Premium Edition - Pc Game

[DOWNLOAD HERE](#)

You can download a free demo. An ancient tale tells that when the gods returned to the sky, they left behind nine mysterious jewel boards through which they could speak to us. Wars destroyed all but one jewel board - the Oracle of Ur. All facts about this legendary object were lost in time until Rupert discovered a clue to the 4,000-year-old story. His quest for the most coveted jewel board of all has begun. Join Rupert as he enlists the help of his two best friends, Emma and Sebastian, in this all-new exciting expedition. Play as all three heroes while traveling through Mesopotamia, the Indus Valley, and Tibet. Look for hidden objects in many stunning locations, including archeological sites, museums, temples, and markets. Solve Rube Goldberg style puzzles, complete enchanting jewel boards, and play fun mini-games. Can they succeed in retrieving the Oracle of Ur? Publisher: iWin
