You can download a free demo. Battle Mages is a high-scale modern game that combines tactical strategy, quality role-playing system and original adventure elements. The game takes place in a classic fantasy world, where different races and nations live side by side. Each of them has its own culture and traditions, which are carefully guarded from external interference. But none of them realizes that soon it will cease to matter. All the old conflicts will seem insignificant in the face of new global threat that will turn the world upside down. Choose from four characters (three types of mages as well as a mage that specialized in tactics). Then choose upgrades for your character and find various armours, weapons, and artefacts to help you on your journey. You can recruit units to help you in your quests as you travel throughout the lands trying to restore peace. Publisher: Meridian4 MINIMUM SYSTEM
