get started with in building your first Internet business. Once you get one online and going, come back to this guide and start another one to create another income stream. You can do this over and over again as many times as you want to keep creating different streams of income. Here's a small sample of ideas!.. Niche Idea #1 - Fulfilling A Dream/Fantasy - Many people want to fulfill a dream or fantasy. You could target niche products such as finding exotic vacations, reviewing high ticket items, achieving dreams strategies, etc. Niche Idea #2 - Gaining A Talent/Skill - Many people want to learn a talent or skill. You could target product niches like educational classes, home training, personal training, how-to publications, how-to videos, etc. Niche Idea #3 - Best Of Information - You would ask authors and publishers to contribute the best of their information in exchange for free publicity. For example, you could use the best bits and pieces of e-zines. There are so many e-zines, people don't have time to read them all. They want a quick way to get all the information.
