

China Home: Inspirational Design Ideas - Michael Freeman

China, long dormant in the world of design and residential architecture, has recently burst onto the world stage. Like everything else in China today, contemporary Chinese design combines elegant and deep-seated traditions with the exploratory ideas of a younger generation of designers. From revitalized hutongs in Beijing and lane houses in Shanghai to shiny new villas in Pudong and sleek urban apartments in Hong Kong, the best modern Chinese interior design blends the legacy of the past with a fresh appetite for the new. China Home explores this burgeoning phenomenon with images taken in more than 100 gorgeous homes, and will become an indispensable source book for everyone looking for ideas to create and re-work their living space.
