I'm Also Going To Include These Valuable Bonuses Worth Over \$645 Fast Action Bonus #1: eWriter Pro PDF Creator! (Fully Licensed PDF Compiler - Does NOT Require Microsoft Word!) If you want to create professional PDFs quickly and efficiently without any hassles then you NEED to take advantage of our PDF Creator! Our program will convert any office-based application into an Adobe Acrobat compatible PDF and is IDEAL if you are going to write or produce your own ebook. I've spent \$1000s investing in a simple yet fully functional all-in-one PDF creator so that you can get on with creating professional PDF documents and eBooks and make money! Our PDF creator is an all-in-one solution that doesn't even require a word document! Simply use our word processor and click the PDF button to instantly create your own eBook! You can still use your current word processor and simply copy and paste your work into our PDF creator and produce the same quality eBooks! Our PDF creator is not difficult to use! Use our in-build word document as you would with any other and click the PDF button when you're ready! The functions and layout of the word document are easy to understand so you'll feel 100 comfortable using it! Copyright theft is a serious problem! Now you can heavily protect your eBook from thieves as our software can restrict users from doing a "copy and paste" on your eBook! You can disable printing, disable copying of images, and even password protect your PDF from being opened! With our PDF creator, you're in control. What Seperates PDF Creator Pro From The Rest? tick1-Click PDF! Get better results faster with a new streamlined minimalistic user interface and create your PDF

with a simple click! tickQuality Results! Create and convert high quality professional looking eBooks you can be proud of. No loss of quality or altered images or text unlike some other PDFs creators!

tickIntegrated Word Processor! No need to spend \$100s on word documents! tick100 Compatible! Simple copy and paste your work into our PDF creator and create PDFs instantly! Does not require Adobe Acrobat, but is fully compatible with it! Works with Windows Vista and XP! tickHigh Security Features! Create fully protected eBooks and distribute and sell them with peace of mind! Your hard work is protected! tickInsert Hyperlinks! Insert clickable links in your eBook for instant traffic! tickSuitable For PLR! Simply copy and paste your private label products into our word processor and create your own eBooks instantly! tickOptimized PDF! High compression for easy online distribution! eWriter Pro is a stand-alone product which could quite happily be sold on its own, but we're going to include this as a bonus to your product creation course! Remember there is no need to have Adobe Acrobat, and no need to have an office-related program because everything is fully integrated into this easy-to-use software! A value of \$47 yours free! Fast Action Bonus #2: eWriter Pro Complete User Manual! To help you get started with our software we will also provide you with a step-by-step user manual so you can start using our software with confidence within minutes! Wouldn't it be nice to know that you can invest in a piece of software understand how, why and when to use all its functions? Most just leave you in the dark guessing and testing! This is a full in-depth manual covering all those little details which you will need to create professional eBooks. Here's just a quick break down of what's covered in this manual alone.. * Adding Headers And Footers * Saving Your eBook * Creating Your PDF eBook * Document Management * Creating A Cover * What to Write * Hosting * Payment Processors * Setting Up An Autoresponder * Working with the Grids * Sorting Grid Rows. * Removing Columns. * Adding Columns * Grouping Columns * Adding Niche * Adding Niche Category * Adding usage rights * Backing up data * Restoring data * Restoring to previous backup. * Updating document information * Changing fonts * Headers and Footers * Adding a Header and Footer * Editing Header and Footers * Hyperlinks * Images * Add Image * Editing Image Properties * Text Frames * Adding New Text Frame * Editing Text Frame Properties * Generating PDF * Create a PDF * Saving documents and much more..
