"Are You Losing \$1000's Every Month Because Of Unreliable Email? ...Stop Leaving Your Success To Chance & Start Getting In Touch With 100 of Your Prospects & Customers Every Time!" Display Your Sales Message's At Anytime... Long After Your Prospects Leave Your Website! REACH ALL YOUR PROSPECTS ALL OF THE TIME, WITHOUT EMAILING As you know, each time you send an email to your list, many of your prospects don't even get to open your message, never-mind read it! Why? Spam filters. Even if your message isn't filtered there is so much spam around now that your message can very easily be confused with spam and get deleted. I've done it, you've probably done it, and you can bet the people on YOUR list do it too! How much extra money do you think you would make if every message you sent to your prospects got opened by everyone you sent it to every time? A guaranteed 100 open rate! Impossible, right? Not any more... Introducing The Brand New... 'Contact Automator' Follow Your Prospects All Over The Internet Until They Buy Your Products! You're probably wondering exactly what 'Contact Automator' is. Well... its a revolutionary new program that allows you to create little applications that sit in your prospects system tray (The bottom right of your screen beside the time). This application will check whatever URL you tell it to as often as you want. And every time the URL updates, it lets your prospects know! What does this mean to you? It means you can basically follow your prospects about, long after they leave your site, and literally FORCE them to look at your latest products and offers! Here are just a few of the ways you will benefit from 'Contact Automator': Newsletters - Guaranteed delivery of every issue of your newsletter -- no more accidental filtering or blocking of the e-mail version by ISPs and filtering software! Special Offer Alerts - Your prospects get instant notification of all your latest special offers! Backend Promoter - Strike up affiliate partnerships and promote them through 'Contact Automator'. Affiliate Updater/Motivator - Inform your affiliate's of your new promotional material and products. Keep them up to date with their affiliate stats and motivate them to make YOU more money! Membership Site's - Run your membership site through 'Contact Automator', now your members will always know as soon as you add new content. Product Updates - Inform your customers of the latest updates to your products so they can get instant access without even opening their browser or email program! Download Area - Have

your website download area contained within 'Contact Automator' so you can bring people back to your offers long after they download your freebies! And many, many more! The possibilities are endless. All these things will bring people back to your site again and again to buy your products! Let me explain to you exactly how 'Contact Automator' works. All you do is simply open the program, fill in a few simple options, and press "Build Application". 'Contact Automator' will create a file ready to distribute to your prospects and customers! Now anytime you want to bring them back to your website and sales message you simply update the page you entered when creating the file, and within minutes you're prospects will receive an alert direct to their desktop. Imagine having your own custom branded software on thousands of peoples computers selling them your products! You can start creating your personalized software now. So how much would you pay for this invaluable tool that really will immediately start adding extra profits to your bottom line? \$97? \$67? Well no, its worth MUCH more than that! But since this is brand new, I have decided to test the water and price this product at just \$27.00 Includes master resell rights.
