--If you've been dreaming of starting your own business but you don't know how, what you will read in the next 5 minutes might change your life "Discover How YOU Can STOP Stressing About Starting A Business And START Your Very Own Profitable Business With The Help Of 50 Experts - Even If You Don't Have Much Money Or Experience!" Tuesday October 19, 2010 From the desks of: Evan Carmichael and Takuya Hikichi Dear Entrepreneur, It's a rough world out there, isn't it? If you're working for a company right now, you're probably living with the threat of a layoff hanging over your head. Worse yet, even if you aren't caught in a layoff, you have picked up the slack for those who were laid off so you're putting in a lot of extra hours. And maybe you get paid for that extra work, but probably not. Or perhaps you've lost your job already and you need a source of income? So You're Thinking About Starting Your Own Business So You Won't Have To Put Up With A Boss You want to start your own business so you can live the lifestyle of your dreams, but where do you begin? What steps do you take? When do you set up an LLC or an S Corporation? How do you raise capital? What about PR or getting web traffic? Frankly, it can become so overwhelming that the majority of would-be entrepreneurs never even get off the ground. But What If You Had 50 Business Experts Helping You Start Your Own Successful Business? Sure, starting a business can seem overwhelming. And you've probably heard that it's risky. But let me ask you something How successful do you think you could be if you could leverage the amazing power of 50 different business experts to help start your own business? Think of it 50 experts in different areas such as Marketing for maximum returns Building the very best business start-ups Business plans that get you MONEY PR that grows your business Financing that provides the cashflow you need Viral marketing for amazing growth Using SEO to generate huge traffic to your website and much, much more! Think You Already Know How To Start A Business? Find Out For Sure By Answering These Critical Questions Do you know the 7 steps you MUST TAKE before you start your business? Do you know how to create a business plan that pulls in the financing you need? Do you know the pros and cons of using a trust for tax purposes? (Get this one wrong, and you could waste a LOT of money!) Do you know 43 ways to find a good lender ? Do you know why you might want to buy an existing business instead of starting one? Do

you know how to use factoring to grow your business? Do you know how to eliminate objections to price ? Do you know how to choose the right SEO firm ? Listen, I'm going to be very blunt here if you can't answer those questions, then your chances of success aren't very high. To start your own business, you need to know the all-important steps to take in getting a business started. You also need to know how to use marketing to boost sales , along with some knowledge of sales psychology to get customers to buy from you. And, of course, you need to know how to make sure your customers actually WANT what you're selling. But Don't Despair - All The Help You Need Is Available Within Minutes From My New Ebook: **Make Your First Million - 50 Top Experts Share Their Best Secrets To Help You Make Millions!** I've written this comprehensive ebook in response to HUGE need I've seen from the 300,000 entrepreneurs just like you who visit my site every day. If you're like most of my visitors, you've either got an idea for a business and need help developing it, or you've already got a business but you're struggling to punch through the barriers to take your business to the next level. **Make Your First Million 50 Top Experts Share Their Best Secrets To Help You Make Millions** was written for you. So What's In This Amazing New Ebook? Well, for starters, you'll learn everything you need to know about how to get started, including How to protect yourself and your assets by choosing the right business structure Find out if you've really got what it takes to become a successful entrepreneur The A-R-T system for small business start-ups What your chances really are of going from rags to riches The 7 steps you must take before you start your business How to create a business plan that gets you the financing you need How to select the right business name and how to use online searches to help The pros and cons of using a trust for tax purposes You'll Also Learn How To Raise Money, Which Is the Lifeblood of ANY New Business! New businesses or existing businesses that want to grow MUST have access to money it's not an option, it's a requirement. But where do you find financing without a lot of scary strings attached? In **Make Your First Million** , you'll learn How to raise money on a small budget , and where to look for funding this one alone could save your business! 10 reason why you may want to buy an existing business instead of starting one All about non-franchise start-ups, with helpful examples All about small business loans How you can get venture capital financing 43 ways to find a good lender How to use factoring to grow your business How to use vendor credit lines as backdoor financing How to tap into government funding including the criteria that people think of, and the important one that they overlook Nervous About Selling? Don't Be - You'll Learn All About How To Sell For Maximum Profits! If you're nervous about selling, don't worry you're in good

company! Most new entrepreneurs get butterflies in their stomach when they think of selling, did you know that? That's why I've devoted an entire chapter to How to Sell! Here's a sample of what you'll learn. How to use sales psychology, including the power principles of persuasion How to ask for referrals that grow your business and how to avoid making common mistakes Sample phone scripts for asking for referrals Viral marketing and how to harness the atomic power of joint ventures How to make sales training pay off with sales successes How to eliminate objections to price The power of a thank-you note 8 ways to make sure customers want what you're selling 8 strategies to guarantee success in cold calling How to market to people who influence your market this one can REALLY multiply your sales fast! If You've Been Wondering How Businesses Create A Media Buzz, You Can Stop Wondering And Read All About It! Yes, you CAN generate tons of media attention for your small business start up. It's all there in Make Your First Million . Here are some of the mission-critical topics you'll learn about 55 reasons to send out a press release How to determine if PR Is right for you How to get TV coverage and why it's not as hard as you think! PR for start-ups Straight talk about PR fees and services How to create a media kit and use it to get the word out about your business How to create stories the media will love How to manage media relationships 33 ways to create New for your business so you attract media attention And If You've Been Frustrated When You Try To Increase Web Traffic, You're Going To Love This Increasing web traffic is a surefire way to increase salesbut how do you do it? In Make Your First Million , you'll learn the ins and outs of generating HUGE traffic. Here are some of the specific things you'll learn 3 things you must know to create powerful headlines and stop losing sales How to profit by promoting your products with an organic searchand doing it cost-effectively!
