

Haunted Past-realm Of Ghosts Platinum Edition - Pc Game

[DOWNLOAD HERE](#)

You can download a free demo. Many years ago, Emily plummeted from an attic window to her doom. Her house now lies abandoned along with the mystery of her death. Sara has inherited this old Victorian home, only to discover that it is not empty. She has a unique talent that allows her to see and interact with ghosts. Now with her help, Emily can put to rest the tragic story of her demise and move on past this shadowy realm that imprisons her. Experience this eerie tale as Sara and join Emily in solving the mystery of her passing. Walk the halls of her Victorian mansion and with your special powers, move between two realms to find clues. Solve challenging puzzles, commune with the dead, and discover the frightening truth about Emily's fate. Publisher: Gameagents
